### WORK EXPERIENCE

#### Crime/Management Analyst II

Denver Police Department - Denver, CO - October 2013 to Present

Conducts research and strategic crime analysis to identify crime patterns and trends; analyzes long term crime patterns and trends using probability studies and complex statistical analysis such as random samplings, correlation, and regression analysis; develops and tests hypotheses; develops victim and suspect profiles (e.g. physical or vehicle description profiles); forecasts future criminal activity.

Use various software and databases daily including: Microsoft Access, Excel, Outlook, Word, Powerpoint, ArcGIS, I2 Analyst Notebook, Webmug, EIISS, Discoverer, LexisNexis, Accurant, LeadsOnline, Business Intel, NCIC and ATACRAIDS.

Prepares strategic action plans; assists operations and management personnel in planning the deployment of resources for the prevention and suppression of criminal activity.

Makes written and oral presentations, often using charts and graphs, to inform deputies, detectives, investigators, and commanders of emerging or existing crime series, patterns, and trends, as well as suspect and victim profiles.

Conducts tactical crime analysis, identifying current crime series and hot spots; prepares tactical action plans.

Gathers data on criminal activity from other law enforcement agencies in order to study and analyze past and existing crime series, patterns, and trends; uses and maintains general and specialized computer applications in order to gather, categorize, and analyze crime data, as well as to assist in the dissemination of information pertinent to law enforcement.

Attends regional meetings of crime analysis professionals in order to share information on crime patterns, new methodologies, and developing tools.

#### Investigative Specialist (IS)

Federal Bureau of Investigation (FBI) - Omaha, NE - December 2011 to October 2013

Performed investigative functions for the FBI through physical surveillance operations.

Supported Foreign Counter intelligence, Counter terrorism and Criminal investigations, and gather intelligence information of investigative interest for the FBI.

Responsible for all aspects of surveillance operations from planning through execution, also include the collection, analysis and dissemination of intelligence data gathered during surveillance operations.

Used various cameras and electronic surveillance equipment to fulfill the needs of the FBI mission.

Responsible for writing and researching detailed analytical intelligence reports, using various federal law enforcement databases.

Managed entire FBI teams in the field of operation to achieve successful results involving active cases.

Graduated from the FBI/BSC Academy at Quantico, Virginia.

Trained extensively with the CIA, and other intelligence agencies throughout the United States.

### **Operational Support Technician (OST)**

Federal Bureau of Investigation (FBI) - Denver, CO - January 2010 to December 2011

Responsible for researching and analyzing automated databases to locate and extract information, including: NCIC, CCIC, IDW, DIVS, CLEAR, LexisNexis/ Accurint and other sensitive FBI and federal law enforcement databases.

Responsible for evaluating referral references of incoming white collar criminal or suspicious financial activity reports.

Summarizes and composes outgoing written communication from these activities and sends it to the appropriate judicial or law enforcement agency, to pursue the investigation.

Transcribes a variety of documents to include a wide range of correspondence, documents, and forms, as well as information contained on various forms of audio and video electronic recorded media generated by consensual and court ordered criminal and national security surveillance activities, witness interviews, and other sources.

Conducted research and analysis to determine the relevance of data collected in support of ongoing intelligence operations.

Responsible for documenting all incoming local bank robberies while in the FBI response center, and acted as a main liaison between other federal agencies, task force officers and state and local law enforcement.

Assisted in forfeiture and seizure operations for the FBI.
