The City of Newnan, in partnership with forty two public safety agencies and over seven hundred law enforcement officials, as well as twenty five fire and emergency services agencies, successfully managed a planned demonstration by the National Socialist Movement, held on Saturday, April 21, 2018.

The unwavering support of the citizens of the City of Newnan, Coweta County and the State of Georgia, in addition to a well-planned and orchestrated public safety plan enables us to collectively celebrate that no injuries or property damage was realized.

After being screened for prohibited items, roughly forty members of the National Socialist Movement entered Greenville Street Park. The demonstration began at 4:00pm (EST) and concluded at 5:00pm (EST).

The Newnan Police Department, in partnership with numerous local, state and federal agency partners, managed the closure of adjacent roadways, while concurrently maintaining designated gathering areas for use by the demonstrators and anti-demonstrators. Increased patrols occurred before, during and after the demonstration to provide for the protection of persons and property. The demonstration resulted in ten arrests. Public safety personnel confiscated numerous prohibited items from self-identified anti-demonstrators, such as masks, fireworks, smoke grenades, various types of insect spray, bottles inscribed with the terms "shake and law" and a shield with outfacing screws.
